

Personal Articles Floater

Burns & Wilcox has customizable coverage solutions for your customer's jewelry, fine art, wine/liquor, antiques, sports memorabilia and any other unique collections.

Personal article floater policies help protect valuable items beyond the personal property covered on a homeowners policy. Homeowner's policies may provide inadequate or no coverage at all. The "floater" part of the coverage refers to items that are easily movable like jewelry, valuable collector's items, art, designer handbags, etc.
